

CANADA'S EXOTIC ISLAND DESTINATION

Parksville, British Columbia

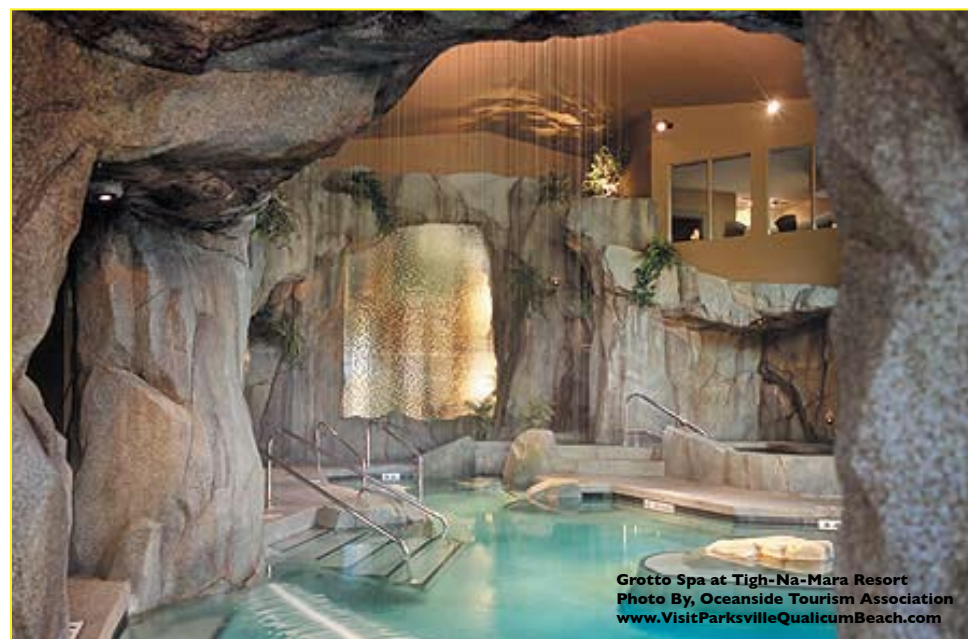

Set amidst Canada's most beautiful vistas on Vancouver Island is Parksville, BC. The stunning landscape, hospitality and vast array of activities make Parksville one of Canada's most unique and popular summer destinations. Offering festivals, golf, beach combing and numerous other opportunities to enlighten one's senses. Parksville's positive attributes are endless; it hosts the only warm-water sandy beach on the island due to the superior climate. Warm weather, spectacular beach resorts and an infinite amount of beach activities enable many to refer to Parksville as "Canada's Riviera". Escaping reality becomes a possibility, while watching the eagles, mountain views and listening to the glistening water.

Infinite Possibilities...

True Canadian wilderness surrounds you as the ocean, vast forests and mountains engulf the hiker, equestrian rider, mountain biker or beach comber. Several opportunities are available to experience the island at its finest and the best way

to do that is get out and test your limits. Top grade hiking is at your fingertips with some of the greatest terrains in Canada. Only three extreme mountain bike trails are available on the island and Parksville is home to one of them. Beach combing Parksville's beaches for shells is an activity the whole family is sure to enjoy for hours with the ability to create your own souvenir no one else will have. The Parksville Beach Festival is just one of 140 festivals to visit in the region. The Sand Castle building contest is a popular event at the beach festival that is not to be missed. The Milner mansion is a beautiful structure that gives visitors the chance to rest where royalty has and sip a cup of tea, while watching the time pass-by.
